17 This matter presently is scheduled for preliminary hearing or arraignment on September  
18 19, 2007. The defense has requested additional discovery from the government, including  
19 immigration files, that will shed light on some unanswered questions raised by the charged  
20 offense. The government believes that it will take two to three weeks to obtain the requested  
21 file(s).

22 IT IS THEREFORE STIPULATED AND AGREED that preliminary hearing or  
23 arraignment may be continued to October 17, 2007, at 10:00 a.m. The parties agree that  
24 postponement of the date for preliminary hearing or arraignment is justified by the defendant's  
25 need to complete its investigation in contemplation of resolving the case prior to indictment
